## Must Read

### [Cayman Cowboys](#)

by Eric Douglas

Diving, action, adventure, intrigue and the environment all come into play in this novel by author Eric Douglas.

Set at **Sunset House** and **My Bar**, this book highlights the beautiful locations and touches on the potential for abuse as the environment and development fall into conflict.

**A must have for all guests of  
Sunset House and all that have  
lived on the island!**

*Also out is Eric's Latest book*

### [Flooding Hollywood](#)

Criminals in Los Angeles are using a dive operation to smuggle illegal drugs into the City of Angels. Or are they up to something more sinister? It is up to photographer Mike Scott to figure it out. And he has to do it before disaster strikes the heart of the city. Before it all ends, the two will face danger and fanaticism in the Hollywood Hills. --
